About CPSC

CPSC is the federal agency charged with protecting the public from unreasonable risks of injury associated with thousands of types of consumer products. Deaths, injuries, and property damage from consumer product-related incidents cost the nation more than \$1 trillion annually. Since the

agency was established more than 50 years ago, CPSC has worked to ensure the safety of consumer products, contributing to a decline in related injuries.

Federal law prohibits any person from selling products subject to a Commission-ordered recall or to a voluntary recall undertaken in consultation with CPSC.
